

Halloween

Verse 1.

I was staying in creepy old house everything kept creeping
Laying in bed I thought I heard eerie cries
Oogie moogie moo I was wary,
oogie moogie moo it was scary
I didn't dare to close my eyes

Verse 2.

The lighting flashed and the wind just kept on howling
All the hairs were standing up on the back of my neck
Oogie moogie moo There was moaning
Oogie moogie moo whole lot of groaning
By the morning, you know I'm gonna be a wreck

Chorus 1.

It's Halloween and I'm hanging out in the scariest place
I thought it would be fun but this has kind'a wiped the smile off my face I
gotta tell ya this just ain't my scene
Next year I'm staying home on Halloween

Break.

Next year on Halloween, it's gonna be kids and candy
If anyone has other crazy ideas I'm just not playing along
I'll play some happy tunes, blow up the kids balloons
Watch everybody loves Raymond
And a lot of tom and Jerry cartoons

Chorus 2.

Now it's Halloween and I don't want no scary surprise
I'm telling you now I can't wait for the sun to rise
From now on I just won't be keen
To do this scary stuff on Halloween

Verse 3.

The sun is up and man this place is still creepy
I gotta tell ya I didn't sleep a wink last night
Oogie moogie moo there was screaming
Oogie moogie moo I wasn't dreaming
Man I nearly died of fright
