

# **I Want a Cup of Tea**

## **Verse 1**

I want a cup of tea, I want a cup of tea  
I want it made in a pot, with water that is hot  
I'd be as happy as can be  
If I had a cup of tea

## **Verse 2**

Want a toad in the hole, want a toad in the hole  
I'd give a piece of my soul, for a toad in the hole  
Now I'm out of control  
C'os I need a cup of tea

## **Verse 3**

Want a bowl of spotted dick, a bowl of spotted dick  
Give it to me quick, made with custard that is thick  
Want a bowl of spotted dick  
Followed by a cup of tea

## **Solo**

## **Verse 4**

Want a crumpet now, I want a crumpet now  
I'll show you how, to eat a crumpet now  
Give me milk from a cow  
And another cup of tea

## **Verse 5**

Want a ploughman's lunch, I want a ploughmans lunch  
I could just sit and munch, on a ploughmans lunch  
But when it comes to the crunch  
I need a cup of tea
