There's a party with Anee Hathaway  
At a theatre way up in the sky

So put on your long schiffon dress  
Then help me fix my bow tie  
Bring out the vintage champagne  
Raise up the glass to the sky

Here's to you Bill we'll say  
And though many years have gone by  
Fore ever you'll be the greatest to me  
Bill Shakespeare my number one guy
