

I've Got the Comb Over Blues

Verse 1

I'm nervous going blind on a date
I'm nervous going blind on a date
I aint never seen this woman
And I'm getting real irate

Verse 2

I'm worried about taking off my hat
I'm worried about taking off my hat
My follicles are dying
Can't do nothing about that

Chorus

I've got the comb over blues
And my confidence is low
I've got the comb over blues yea
And my confidence is low
I aint taking off my hat
In case the wind may blow

Verse 3

I'm frightened, case I have to take her home
I'm frightened, case I have to take her home
If she wants some loving
I'm keeping my hat on

Solo

Verse 4

I'm shaking about making love all night
I'm shaking about making love all night
Aint taking off my hat
Till she turns out the light.

Chorus

I've got the comb over blues
And my confidence is low
I've got the comb over blues yea
And my confidence is low
Aint taking off my hat

In case a gust of wind may blow

Verse 5

I'm nervous going blind on a date
I'm nervous going blind on a date
I aint never seen this woman
And I'm getting real irate

Verse 6

I'm worried about taking off my hat
I'm worried about taking off my hat
My follicles are dying
Can't do nothing about that
