To Sarasota nights, I'll take it from there Yea, Yea

Long hot nights, so good, talking about those  
Long hot nights, so good, I just love those  
Long hot nights, so good

My feet get cold, when the sun goes down

Long hot nights, so good, I just love those  
Long hot nights, so good, talking about those  
Long hot nights, so good, I just love those

In the winter time, nowhere to run
