

## **Sitting On The Toilet Writing a Song**

### **Verse 1**

I was Sitting on the toilet writing a song  
I didn't wanna be there all night long  
At least it's quiet, I can concentrate  
The acoustics were good, made my guitar sound great  
Yea I was sitting on the toilet writing a song

### **Verse 2**

I was sitting on the toilet writing the score  
All of a sudden, there was a knock on the door  
A voice said "hey man ya gonna be long  
I shouted hell yea, I'm writing a song  
Yea I was sitting on the toilet writing a song

### **Chorus 1**

He said man your song sounds great  
and I don't wanna spoil it  
but I've got a problem that won't go away  
until I get into that toilet, OK

### **Verse 3**

I was sitting on the toilet, writing a hit  
I shouted ok man, I'll be out in a bit  
I figured I could stall him just for a while  
These interruptions, were cramping my style  
Yea I was sitting on the toilet trying to write a song

### **Chorus 2**

He said you just don't get it I was trying to be nice  
Now you've made me mad, & you're gonna pay the price  
There was Ex-Lax in the brownies at the party in town  
Open up the door, or I'm gonna kick it down

### **Verse 4**

As I opened the door he grabbed me by the hair  
Next thing I knew I was flying through the air  
My head hit the ceiling and I landed in the hall  
Then I heard a noise as guitar hit the wall  
This guy's got a problem no patience at all  
Now he was groaning on the toilet, saying real mean things

Like how he's gonna hang me, with my guitar strings  
Yea I was sitting on the toilet, just trying to write a song
