

You've Gotta Keep Slimming Down

Verse 1

What can you do when you're sliming down like this
What can you do when you're sliming down like this
My girlfriend left me flat, she said I was too fat
What can you do when you're feeling down like this

Verse 2

What can you do when you've got those spare tire blues
What can you do when you've got those spare tire blues
I can't get a date Co's I gotta lose some weight
What can you do when you've got those spare tire blues

Chorus

What can you do, what can you do
You've gotta keep slimming down

Verse 3

What can you do when your underwear's too tight
What can you do when your underwear's too tight
Every time you move you got wedgy in the groove
What can you do when your underwear's too tight

Chorus

What can you do, what can you do
You've gotta keep slimming down

Verse 4

What can you do when you need that latte cream
What can you do when you need that latte cream
Please take away those chips, and super glue my lips
What can you do when you need that latte cream

Chorus

What can you do, what can you do
You've gotta keep slimming down
