

Rock'n Roll Down Deep In My Soul

Verse.1.

All the music I hear everyday of the year excites me
A long symphony or a sweet rhapsody delights me
If I had to choose only one music fulfills me
That old rock'n roll gets down deep in my soul and thrills me

Chorus.

Rock'n roll gives me what I need, rock'n roll helps me too succeed
Rock'n roll gives me what I need, ohh it's deep down in my soul

Verse.2.

Love the music that's funky, the rhythm is tight and together
That old big band sound goes round and around for ever
If I had to choose there's only one music fullfils me
That old rock'n roll gets down deep in my soul and thrills me

Rock'n Roll down deeo in my soul, rock'n roll down deep in my soul
Rock'n roll down deep in my soul, oh it's deep down in my soul

Solo.

Rock'n Roll down deeo in my soul, rock'n roll down deep in my soul
Rock'n roll down deep in my soul, oh it's deep down in my soul.

End.
